**Who can undertake the training?**
- There are no entry requirements for this course

**How is the course trained and assessed?**

**Face to face**
All theory based delivery will occur within the designated classrooms of the RTO through structured training sessions from a qualified trainer / assessor employed by the RTO. At these training sessions a
qualified trainer will provide the required skills and knowledge as per the unit content and will ensure the learning is imparted.

**Online**
Some non-practical theory content can also be completed via the GFI Online learning portal.

**Practical**
As part of this course students will also be required to undertake practical activities related to the course content. These practical activities will be undertaken in a simulated / workplace environment within the classroom based delivery. This may involve accessing appropriate facilities to ensure simulation can be achieved.

The course also involves students completing some reading and written work outside the scheduled classroom delivery time.

Assessment is used to provide you with feedback on your progress and to measure your skills and knowledge against the training qualification requirements and those of the industry. The assessment process may include written questions, assignments, case studies and practical demonstrations. This will require some time away from the training rooms to complete written work/ assignments and self-paced exercises.

**How often do the courses run and what is their duration?**
Normal office operating times of the RTO are 9am- 5pm. All training and assessment will be scheduled within the following hours of operation: Monday – Sunday (8am -10pm).

The duration of this course is:
Delivered over 26 weeks period (6 months): Please contact Global Fitness Institute for next available dates and locations.

- 1 level 2 First aid course (18 hours)
- 25 hours simulated clinic placement (to be scheduled within RTO facility)

Students will also be required to allocate approximately 10 hours per week for reading and project work to be completed outside of the classroom environment. This will include completing pre-reading prior to classes and also time to complete research and complete assessment tasks.
