

SISXIND001 - Work effectively in sport, fitness and recreation environments

Practical Assessment

Task 1:

Please provide 10 separate examples of how you have provided services including:

- Interaction and response to diverse demands and requests of multiple clients
- Provide an efficient service in which operational tasks were completed at a fast pace

Task 2:

For each example provide how you incorporated the following:

- Identification of issues and problems, finding a solution and resolving the problem
- Working as part of a team
- Monitor the progress of your services
- Providing support to other team members and giving advice for improvement
