

BSBSUS211 Participate in sustainable work practices

Assignment

Complete the following tasks

Task 1

List and explain 3 sustainable work practices that you can implement within a workplace.

- How would you communicate with staff to ensure that it is implemented?
- How would you monitor its success?
- Explain why these practices are beneficial
- What do you think is preventing some workplaces from implementing these sustainable practices?

The candidate must demonstrate the ability to complete the tasks outlined in the elements, performance criteria and foundation skills of this unit, including evidence of the ability to:

- participate in at least three sustainable work practices.

In the course of the above, the candidate must:

- identify benefits of sustainable work practices and areas of improvement for sustainable practices in the workplace
- identify and apply sustainability legislation and organisational sustainability policies and procedures
- participate in and support discussions for improved resource efficiency processes
- identify, measure and document usage of resources
- collaborate with team members to develop suggestions for improving workplace sustainability practices.
